CONDITIONS

1. Boats may be placed on the quays in certain areas as directed by the Harbour Master or his representative.
2. No guarantee of 100% availability can be given or implied.
3. The boat must be adequately supported by timbers to ensure it cannot move whilst on the quay.
4. Painting, repairs and overhauls may be carried out during the period the boat is on the quay; the mess on the quay to be cleared daily by the boat owner.
5. The Portsmouth City Council accepts no responsibility arising from:
 - (i) Loss or damage to any craft or contents during lifting/lowering operations.
 - (ii) Death, injury, loss or damage to property suffered or sustained by any person or persons which shall occur as a result of the craft being placed on the quay.
6. The Portsmouth City Council shall have the right to exercise a general lien upon the vessel and/or her gear and equipment whilst on the quay or berthing on Council owned quays or using Council owned moorings until such times as any monies payable to the Portsmouth City Council under this agreement shall be paid.
7. Change of ownership of the craft during the period the craft is on the quay must be reported to the Harbour Office on the day it occurs. The new owner is to be instructed to report to the Berthing Office in order to complete an application form.
